Housing on and around IUPUI’s campus fills quickly. Read below for all the details you need to secure a long term housing option!

Tips for Getting Started on your Housing Search

1. **Choose** the part of the **IUPUI campus map** you might like to live near.

2. **Familiarize yourself** with **all the housing options IUPUI has to offer**.
   - **Read** "How to apply for On-Campus Housing" below.
     - **Inform** yourself about the **on-campus housing options** available at IUPUI.
     - **Review** on-campus housing **rental rates** and add **meal plan price** (not included in your housing bill) to your expense calculations.
   - **Browse** the **OIA** and **Division of Student Affairs** sites for information about **off campus living**.

3. **Search for roommates** or open room options.
   - **Search** and click on "Classifieds" on **One.iu.edu** and then "Roommates & Sublets".
   - **Search** our orientation Facebook pages under "get connected" or our ongoing **IUPUI International Students Facebook** page to find other students who are also seeking housing!

4. **Secure** **Temporary Accommodations** if you will arrive in Indianapolis before you can move into your housing.

5. **Apply** for **Airport Transportation** seven business days prior to your arrival in Indianapolis.
Students are reminded that meal plans are billed separately from their on-campus housing bill.

Many IUPUI students choose to live off-campus which can be an economical decision. With so many off-campus options, finding an off-campus rental does not need to be daunting! We have many resources to help!

View a map of off-campus properties within two miles of IUPUI.
