Subject: Prepare for IUPUI Academics!

IUPUI

Getting Oriented

SUMMER BRIDGE

The IUPUI Summer Bridge Program is a fun and required program for all first-year students in F-1 or J-1 status

Bridge helps you transition from being a high school student to a first-year university student. During Bridge you will:

- Meet faculty, advisors, student mentors, and librarians
- Make friends with other students
- Learn college-level expectations for reading and writing
- Receive individualized support for math
- Connect with your school and major
- Get to know the IUPUI campus
- Gain experience using instructional technology

IMPORTANT IUPUI WEBSITES

There are a couple of websites that you will use frequently throughout your IUPUI degree program.

These sites include:

one.IU.edu

register for classes,
create your IUPUI
technology ac-
count, pay tuition
online, and more!

Canvas

your course man-
agement system.
Check grades,
submit assign-
ments, connect
with your professor

University Info Technology Ser- vices (UITS)

Contact for email
issues, forgotten
passphrase, w-fi,
and more!

iStart

Complete your
Pre-Arrival
Checklists &
request OIA ser-
vices upon arrival

IUPUI is home to
students from more
than 146 countries.

Watch: "I am IUPUI"

COURSE REGISTRATION

Registering for classes is a simple process...

Undergraduate students will register for classes during their International Welcome Week Academic Orientation.

Don't miss your course registration, review the [International Orientation dates!](#)
