The IUPUI Summer Bridge Program is a fun and required program for all first-year students in F-1 or J-1 status.

Bridge helps you transition from being a high school student to a first-year university student. During Bridge you will:

- Meet faculty, advisors, student mentors, and librarians
- Make friends with other students
- Learn college-level expectations for reading and writing
- Receive individualized support for math
- Connect with your school and major
- Get to know the IUPUI campus
- Gain experience using instructional technology

There are a couple of websites that you will use frequently throughout your IUPUI degree program.

These sites include:
Registering for classes is a simple process...

**Undergraduate students** will register for classes during their International Welcome Week Academic Orientation.

Don't miss your course registration, review the [International Orientation dates](#)!
