CrimsonCard is the official photo ID card for all Indiana University campuses, available to IU students, faculty, and staff. It provides access to a variety of essential services and features including:

- Secure entry to buildings and residence halls
- Printing services
- University libraries
- Dining points and meal plan swipes
- Sports and recreation facilities
- Payment at participating retailers

New students will receive their CrimsonCard during student orientation. New students may also submit their photo online prior to Orientation.

Housing on and around the IUPUI campus fills very quickly. If you have not yet secured housing, please do so as soon as possible. If you have signed an on-campus housing contract, be sure to request early arrival move-in through your housing portal.

Due to high demand for on-campus housing, students who applied for on-campus housing post May 31, 2018 are encouraged to seek alternate off-campus accommodations.

Here are some resources to consider in finding off-campus housing:

- OIA managed Facebook pages where students can find roommates and off-campus accommodations: IUPUI International Students and IUPUI Fall 2018 New International Students.
- Log into the "Classifieds" on One.iu.edu and look at "Roommates & Sublets"
- Apartments within 2 miles of IUPUI
- Off-campus housing resources
