Congratulations on your admission to IUPUI!

We are excited to welcome you to the Jaguar Family!

What is an IUPUI Jaguar?

IUPUI "Jaguars" (or "Jags" for short) are not only our mascots but also how we (students, faculty, staff, and family members) refer to ourselves.

Mascot: a person, animal, or symbol that represents an organization. They also bring us good luck in our sporting events!

Living in Indianapolis

Tips for Getting Started on your Housing Search
1. Choose the part of the IUPUI campus map you might like to live near.

2. Familiarize yourself with all the housing options IUPUI has to offer.

   - Inform yourself about the on-campus housing options available at IUPUI.

   Due to high demand for on-campus housing, students who applied for on-campus housing after May 31, 2018 are encouraged to seek alternate off-campus accommodations.

     - Browse the OIA and Division of Student Affairs sites for information about off campus living.

3. Search for roommates or open room options.

   - Search and click on "Classifieds" on One.iu.edu and then "Roommates & Sublets".
   - Search our orientation Facebook pages under "get connected" or our ongoing IUPUI International Students Facebook page to find other students who are also seeking housing!

4. Secure Temporary Accommodations if you will arrive in Indianapolis before you can move into your housing.

OFF-CAMPUS HOUSING: DOWNTOWN LIVING

Many IUPUI students choose to live off-campus which can be an economical decision. With so many off-campus options, finding an off-campus rental does not need to be daunting! We have many resources to help!
