Get Your I-94 Document

*Each time* you enter the United States, Customs creates a new I-94 document for you. However, it is up to **you** to retrieve this important document!

**Go to the Customs & Border Protection website after you arrive in the U.S.;** enter your information, and your I-94 should appear.

This document is very important, but it’s easy to forget about. If you have issues retrieving it, contact the OIA for help.

iStart Document Check

Throughout the summer, you should be completing your iStart Pre-Arrival Checklist. As you begin to arrive in Indianapolis, you need to complete the final stage of the checklist, the Document Check.

**In the Document Check you should upload copies of your passport, visa, and I-94.** This is important so that we can make sure your immigration documents are correct. If there was an error, we would need to fix it.
**Student Health Insurance Plan**

At IUPUI, we will automatically enroll you in the [Aetna International Student Health Insurance plan](#).

**Starting on July 25th in iStart.iu.edu,** you can enroll early in this plan. Or, you can request a waiver from the student plan, if you purchase a different insurance plan that at least meets [IUPUI’s minimum requirements](#).
