

Estimated Annual Expenses for Undergraduates

Tuition & fees	Books & supplies	Health insurance	Living expenses 9 months	Total cost 9 months	Total cost 12 months
\$30,539	\$930	\$1,799	\$12,100	\$45,368	\$49,401

Explanation of tuition estimates

IUPUI uses a flat-rate or “banded” tuition system. This means that your tuition expenses will be the same for enrollment between 12 and 18 credits. A normal course load each semester consists of approximately 15 credits, but may be more or less depending on your individual situation. Students must take at least 15 credits each fall and spring semester in order to earn a bachelor’s degree in four years. To earn an undergraduate degree a student must usually complete at least 120 credit hours.

Enrollment in more than 18 credit hours will be charged at the per-credit rate. For 2018–2019 the undergraduate tuition rate is \$957.58 per credit hour above 18 credits. This amount is also charged for any summer enrollment, which is optional for most programs. For more information on banded tuition, see <https://studentcentral.iupui.edu/cost/tuition-fees/index.html>.

Updated 2019-2020 tuition rates will be posted over the summer. Go to <https://studentcentral.iupui.edu/pay-bill/index.html> to check for updates. (There you will also find detailed information about mandatory fees which are charged in addition to tuition.) Tuition increases are approved annually and may range from 3-5%.

Program Fees

Programs in the **Herron School of Art, Kelley School of Business, Purdue School of Engineering & Technology, School of Nursing, Purdue School of Science, and School of Social Work** charge program fees in addition to regular tuition and mandatory fees. Please go to <https://studentcentral.iupui.edu/pay-bill/index.html> to check the program fees for your school. These fees are only charged once you have obtained admission directly into the academic program. Most undergraduate students are admitted first into University College, not directly into their degree program.

All students with F-1 or J-1 visa paperwork issued by IUPUI will be charged an International Student Services fee during each semester of enrollment. The current amount of this fee is \$95.40 per semester.

Explanation of living expenses

The estimate for living expenses is determined as follows:

Room and Board.....	\$ 9730
Personal Expenses	\$ 2100
Transportation (cost of monthly city bus pass).....	\$ 270
Annual expenses subtotal (9 months)*.....	= \$12,100

***If you will not travel home for the summer, be sure to plan for full 12-month expenses as listed. 12 – month expenses do not include summer tuition and fees. Summer enrollment is optional.**

Actual costs will depend on your personal choices and spending habits. Housing costs will vary depending on where you live. Eating meals in restaurants will significantly increase the cost of food each month. The information above is based on the average cost of campus housing with a full meal plan.

Dependents

If you plan to bring your spouse and/or dependent children with you, you must document funding for each dependent to cover the cost of basic needs like rent, food, clothing, and health insurance:

- Spouse: \$6,974
- 1 Child: \$6,974
- 2 Children: \$13,948
- For additional children beyond 2, you will only need to show \$5,175 per child

Tuition Payment Information

The best resource for information about IUPUI billing and payments is the Office of the Bursar website: <https://studentcentral.iupui.edu/pay-bill/index.html>.

Tuition Billing

Tuition billing is done online at IUPUI after students enroll in classes. You will not receive a paper bill in the mail. Therefore, it is essential that you set up your IUPUI email account as soon as possible. Learn more about how to pay tuition at <https://studentcentral.iupui.edu/pay-bill/payment-options/index.html>.

Tuition Payment Dates

The due date of your bill will depend on when you enroll in classes. You can view tuition billing and due dates at <https://studentcentral.iupui.edu/calendars/official-calendar.html?category=Billing%20and%20fees>.

Pay attention to the registration deadlines each semester. An academic calendar outlining deadlines for dropping and adding classes is available at <https://studentcentral.iupui.edu/calendars/official-calendar.html>. Late registrants must still adhere to tuition due dates, but will also be assessed a late registration fee of \$75. *You should plan to arrive on time so that late registration is not necessary.*

Tuition Payment Installment Plans

You may opt to pay your tuition bill on a payment plan. This option lets you pay off your account in 3-4 payments depending on when you enroll. Full details on the payment plan option can be found: <https://studentcentral.iupui.edu/pay-bill/payment-options/index.html>.

Mandatory Health Insurance Information

All students in F or J visa status are required to enroll in IUPUI's mandatory health insurance program for international students, unless sufficient alternative health insurance is confirmed by the waiver deadline each semester. The cost to students for the 2018–2019 academic year is \$1,799 per year, regardless of age (rates are expected to rise slightly for the 2019-2020 academic year). Coverage begins from August 1 of one year and continues to July 31 of the following year. Students arriving for the Spring semester are covered from January 1. Coverage for dependents is required and is available at an additional cost. Exact premium amounts for the International Insurance Plan can be found at <http://international.iupui.edu/indianapolis/health-insurance/aetnainsurance.html>. The International Student Orientation Program includes further details about the mandatory health insurance program requirements and coverage.

Student Account Billing

Student accounts are billed in two installments each year: \$756 for the Fall semester coverage from August 1 through December 31 (billed in September), and \$1,043 for Spring and Summer coverage from January 1 through July 31 (billed in January). These amounts are based on the 2018-2019 rates.

Waivers

Students with pre-arranged health insurance requesting a waiver from the mandatory health insurance plan must do so by the waiver deadline. To qualify for a waiver, you must submit the waiver request form, available through the iStart system at istart.iu.edu. The waiver deadline is 10 days after the start of classes each semester. Students who do not file acceptable waiver requests with the Office of International Affairs by the deadline may be denied a waiver solely on the basis of late filing of the request. More information about insurance waivers, including exact waiver requirements can be found at <http://international.iupui.edu/indianapolis/health-insurance/insurance-waivers.html>.
