If you will need a student visa to attend IUPUI, you must meet IUPUI’s financial documentation requirements to receive a Certificate of Eligibility (I-20 for the F-1 or DS-2019 for the J-1) and apply for your visa. U.S. immigration regulations require that you demonstrate that you have sufficient funds to cover your living and educational expenses for study on a full-time basis. The estimated annual expenses include funding needed to cover your living expenses and mandatory health insurance for 9 months, but not the cost of travel to Indianapolis or optional summer tuition. These amounts are reviewed annually and are subject to change. For up-to-date estimated expenses, visit http://international.iupui.edu/doc/admissions/graduate.pdf

How to Document Your Funding

Step 1: Review the Financial Information for Graduate and Professional Students information found at http://international.iupui.edu/doc/admissions/graduate.pdf

Step 2: Ask your sponsors to complete the Financial Support Agreement contained on page 2 of this form. If you will have multiple sponsors, each must complete a separate form. (See box below for more information.)

Step 3: Attach financial documentation for each sponsor.

- Bank statements or letters (from financial institutions where the sponsor holds an account) must show the actual amount of currency available. To qualify for I-20 issuance, this amount must be equal to or greater than the total cost based on 9 months listed for your program. The account holder’s name must be listed on the paperwork.
- Documents must be dated within one year of the start of your first term at IUPUI.
- Documents must be in English; translations must be verified by an appropriate bank or government official. Foreign currencies are acceptable.

Step 4: Submit the Financial Support Agreement and financial documentation for each person who will sponsor your studies.

The Office of International Affairs reserves the right to request additional documentation of funding.

More Funding Details:
Sponsor (Family or Friend): Each sponsor must provide evidence of sufficient funds for at least the first year of the applicant’s study.

Sponsor (Organization): A promise of sponsorship can be stated on the sponsoring organization’s letterhead. The statement should include the duration of sponsorship including the guaranteed dollar amount for a specified period of years or for the duration of study, or the specific type of support provided.

Multiple Sponsors: If you will be sponsored by more than one source, please see the final page of this handout. It is an aid that will help you work out the details to ensure you will have all of your financial needs covered.

Self-Sponsorship: As the applicant, you must complete the Financial Support Agreement on the reverse (page 2) of this form. If providing bank statements that are in your own name only, you must show:
• funds on deposit to cover “Total Cost” for the first year of study AND
• a reasonable plan for how you will fund the duration of your studies beyond the first year. For example, you may submit a letter from an employer or other sponsor that promises funding for your remaining study. Sponsor support agreements to cover funding shortfalls must meet the guidelines described above.

Will you bring a spouse or children to the US as dependents on your visa?

Dependent Expenses to be Documented

• Spouse: $6,920
• 1 Child: $6,920
• 2 Children: $13,840
• For additional children beyond 2, you will only need to show $5,200 per child

Be sure to include these figures when determining the total amount of financial documentation needed.
