

**Explanation of estimates for tuition and fees:**

Tuition rates are based on the nonresident rate plus mandatory fees. Special program, laboratory, and course-specific fees are not included.

**Actual expenses will vary depending upon program and number of credit hours taken per semester.**

For specific program fees, go to <http://bursar.iupui.edu/apps/costestimator.aspx>. Your academic program advisor can verify the number of credit hours required by your program for full-time status. Tuition increases are approved annually in late spring and may range from 3-5%. Summer enrollment is not required for many programs so is not included in the estimated expenses.\*

Mandatory Fees for one year equal \$1298.00 and include the IUPUI General Fee (\$733.80), Repair and Rehabilitation Fee (\$330.48), Placement Test Fee (\$50, one-time charge), and International Services Fee (\$183.60).
