If you will need a student visa to attend IUPUI, you must meet IUPUI’s financial documentation requirements to receive a Certificate of Eligibility (I-20 for the F-1 or DS-2019 for the J-1) and apply for your visa. U.S. immigration regulations require that you demonstrate that you have sufficient funds to cover your living and educational expenses for study on a full-time basis. The estimated amounts below include funding needed to cover your living expenses and mandatory health insurance for 9 months, but not the cost of travel to Indianapolis or optional summer tuition. These amounts are reviewed annually and are subject to change.

How to Document Your Funding

**How to Document Your Funding**

**Step 1:** Review the Estimated Annual Expenses data below.

**Step 2:** Ask your sponsors to complete the Financial Support Agreement contained on page 2 of this form. If you will have multiple sponsors, each must complete a separate form. (See box below for more information.)

**Step 3:** Attach financial documentation for each sponsor.

- Bank statements or letters (from financial institutions where the sponsor holds an account) must show the actual amount of currency available. To qualify for I-20 issuance, this amount must be equal to or greater than the total cost based on 9 months listed for your program. The account holder’s name must be listed on the paperwork.
- Documents must be dated within one year of the start of your first term at IUPUI.
- Documents must be in English; translations must be verified by an appropriate bank or government official. Foreign currencies are acceptable.

**Step 4:** Submit the Financial Support Agreement and financial documentation for each person who will sponsor your studies.

The Office of International Affairs reserves the right to request additional documentation of funding.

### More Funding Details:

**Sponsor (Family or Friend):** Each sponsor must provide evidence of sufficient funds for at least the first year of the applicant’s study.

**Sponsor (Organization):** A promise of sponsorship can be stated on the sponsoring organization’s letterhead. The statement should include the duration of sponsorship including the guaranteed dollar amount for a specified period of years or for the duration of study, or the specific type of support provided.

**Multiple Sponsors:** If you will be sponsored by more than one source, please see the final page of this handout. It is an aid that will help you work out the details to ensure you will have all of your financial needs covered.

### Explanation of Tuition Estimates

Undergraduate tuition is charged at a flat rate for enrollment between 12 and 18 credit hours. Any enrollment above 18 credits will result in additional tuition charges. For more information see [http://www.bursar.iupui.edu/bandedtuition.asp](http://www.bursar.iupui.edu/bandedtuition.asp). Summer enrollment is optional, and tuition is charged on a per-credit basis. Actual expenses will vary depending upon program; some programs charge fees above the standard IUPUI tuition and fees. Tuition increases are approved annually and may range from 3-5%.

### Program Fees

Programs in the Herron School of Art, Kelley School of Business, Purdue School of Engineering & Technology, School of Nursing, Purdue School of Science, and School of Social Work charge program fees in addition to regular tuition and mandatory fees. Please go to [http://bursar.iupui.edu/](http://bursar.iupui.edu/) to check the program fees for your school. These fees are only charged once you have obtained admission directly into the academic program. Most undergraduate students are admitted first into University College, not directly into their degree program.

All students with F-1 or J-1 visa paperwork issued by IUPUI will be charged an International Student Services fee during each semester of enrollment. The current amount of this fee is $93.75 per semester.
