YOUR EDUCATIONAL PASSPORT
Two universities.
One campus.
Indianapolis, Indiana
Indiana University–Purdue University Indianapolis (IUPUI) is Indiana’s premier urban public research university. Combining the resources of two prestigious universities within our downtown Indianapolis location, we offer you the opportunity to earn a respected degree from Indiana University (IU) or Purdue University while enjoying all the benefits of city life.

**YOUR CAREER STARTS HERE**

Our international students are hired by major corporations... 

- Columbia University
- Cornell University
- Harvard University
- University of California, Berkeley
- University of Pennsylvania
- Stanford University
- Yale University

... and are admitted into top-ranked graduate programs.

Columbia University - Cornell University - Harvard University - University of California, Berkeley - University of Pennsylvania - Stanford University - Yale University

**90.7% OF GRADUATES REPORTED POSITIVE CAREER OUTCOMES WITH EMPLOYMENT OR FURTHER EDUCATION**

**INTERNSHIP PLACEMENTS**

- 450+ IU Kelley School of Business Internships Since 2020
- 300+ Purdue School of Engineering Internships in 2017–18

**AVERAGE STARTING SALARIES**

- $53,634 IU Kelley School of Business
- $60,000 Purdue Engineering
- $64,000 Purdue Computer Science

**About JULIA CILLERUELO FERNÁNDEZ DEL MORAL | Spain**

“I felt welcome at IUPUI from the moment I talked to someone from admissions.”

The Purdue School of Engineering and Technology graduate earned her B.S. in energy engineering, a degree offered at very few universities. Heavily involved in the Office of Sustainability, Julia participated in many initiatives, including drafting and passing a resolution to make IUPUI carbon-neutral. After graduating, Julia accepted a position at Cummins, a global power technology leader located in Indiana.
LEADING INSIDE AND OUTSIDE THE CLASSROOM

Our graduates participate in experiential learning activities including internships, research with faculty, living-learning communities, study abroad, senior projects, and more.

PHUONG “MICHELLE” NGUYEN | Vietnam

“I feel like there are always opportunities at IUPUI. Because of the dedicated faculty members and the great friends I made along the way, I was able to gain so many valuable skills and unexpected memories throughout my entire time. I’m grateful for the time I spent at IUPUI.”

Communications studies

SUNDEEP KAKAR | India

“When I first arrived, the International Peer Mentoring Program (IPMP) was a huge help. Since we had already been in touch, I felt like I already knew people, which made me feel extremely welcome. The next year I decided to become a mentor myself so I could give back, since they had done so much for me.”

PURDUE SCHOOL OF SCIENCE

OLUWAFUNTO CHARLES AYENI | Nigeria

“I decided that IUPUI was the one for me because the school’s international reputation draws a diverse range of students, and I felt it would be a great place to further my education. Also, I chose IUPUI because of the availability of scholarships and the quality of education in comparison with other schools of its caliber.”

IU SCHOOL OF INFORMATICS AND COMPUTING

IUPUI continues to lead the globe in the United Nations Sustainable Development goals (SDGs). Consisting of 17 global goals to action, the SDGs serve as the cornerstone of the IUPUI Office of International Affairs’ (OIA) comprehensive internationalisation efforts, facilitating partnerships across all schools, departments, and units within IUPUI and beyond.

IUPUI gives you the freedom to design a program that prepares you for your career of choice. Combine, majors, minors, and certificates to customize a program of study that meets your interests and goals, or even design your own interdisciplinary major.
Are you ready for a step up in your career, or do you want an even deeper understanding of your discipline? IUPUI offers its graduate students many programs can get you there. IUPUI’s graduate schools can help you choose the right program for your discipline? IUPUI’s graduate students can choose from a wide range of programs to help you get where you want to go. Each IUPUI graduate program has unique requirements and costs. To learn about the admission requirements, application process, and costs, contact the program or department you’re interested in to learn more. Learn more at apply.iupui.edu/graduate.
Located in the heart of IUPUI’s campus, a real university experience sets the Program for Intensive English (PIE) apart from other English centers. As a PIE student, you’ll have the opportunity to meet IUPUI’s English requirement for admission before you start a degree program—all while you experience campus life as an IUPUI student. Our students have continued on to IUPUI degree programs in engineering, accounting, dentistry, nursing, law, and more.

The PIE has seven levels of English classes, from high beginner to advanced academic English. They’ll help you develop the academic language skills you need for a successful university experience. The PIE also offers free tutoring and a conversation partner program with IUPUI students who are native speakers.

You’ll take a placement test at orientation to find your starting level. When you pass a certain level, you’ll meet the English proficiency requirement for IUPUI programs and won’t have to show a TOEFL or IELTS score when you apply.

The PIE offers six sessions each year, and you can start at the beginning of any session. Each session has 140 class hours, and the current cost for full-time tuition at the PIE is $2,650 per session.

For more information or to apply, go to pie.iupui.edu.

**GET A HEAD START ON ENGLISH**

“T’ve been studying English at PIE for 8 months now. I’ve had an amazing journey with the PIE teachers at IUPUI. Their classes are motivating, enjoyable, and interactive. My academic English improved greatly compared to when I was at other ESL institutions. I think I’m well prepared to go to university because my English level is appropriate, thanks to the PIE program and its teachers.”

APPLICATION DEADLINES

FALL (AUGUST)

NOV. 1 Honors College application deadline*
FEB. 15 Priority deadline for scholarship consideration
MAR. 15 Housing application deadline
MAY 1 Regular application deadline **

SPRING (JANUARY)

DEC. 1 Regular application deadline

* The Honors College requires an additional application.
** Students transferring from a U.S. college or university may apply until June 1.

APPLICATION

- COMPLETE APPLICATION
- PAY $65 APPLICATION FEE
- SUBMIT TRANSCRIPT AND EVIDENCE OF ENGLISH PROFICIENCY

The Honors College has a separate application which you should complete after applying to IUPUI. See honors.iupui.edu for more information.

APPLY

SCHOLARSHIPS

$10,000 TO $38,000

IUPUI rewards your academic accomplishments. Visit apply.iupui.edu/scholarships for more about which scholarships you may qualify for.

INTERNATIONAL JAGUAR EXCELLENCE AWARDS

Providing world-class education at an affordable price is central to IUPUI’s mission. International undergraduate students who are admitted to IUPUI for the Fall 2023 term (or later) with a minimum GPA of 3.0 and advanced English proficiency will receive our International Student Jaguar Award. These scholarships will be automatically awarded at the time of admission and can help you save up to $64,000 in tuition during your academic career at IUPUI.

ENGLISH PROFICIENCY REQUIREMENTS

TOEFL iBT 80
IELTS 6.5
SAT EBRW 560
ACT (English) 21

Students with TOEFL scores of 60+ or IELTS 5.5+ are eligible for admission, but should anticipate taking additional English for Academic Purposes courses along with their academic program.

TEST-OPTIONAL POLICY

SAT or ACT Test scores are not required for admission or merit scholarship consideration. Instead, we review each application for its individual merits and qualities, including your academic performance and preparation, curriculum quality, recent grade trends, and class rank. However, if you have taken these exams, you are encouraged to submit your scores to be considered for the Honors College or to meet minimum English proficiency requirements.

INTERNATIONAL JAGUAR EXCELLENCE AWARDS

Mohammed Yazan Khan | India

“I received the academic excellence award as an incoming freshman. IUPUI was already on the top of my list when I was making my decision because of the unique degree system. Having two universities combined in one was something I didn’t see before in any other university, but then this scholarship really made my decision easier. It’s an honor to receive a scholarship from such a prestigious university and it really helped my family financially.”
